

Gene Transcription in Yeast

from
**Mechanisms
to Gene Regulatory
Networks**

**EMBO
Conference
Series**

The programme for this event
was reviewed and approved by the
EMBO Course Committee.

16 - 21 June, 2012 | Girona | Spain

ORGANISERS

Francesc POSAS
Universitat Pompeu Fabra
ES

David M. SHORE
Université de Genève
CH

ABOUT

This meeting (the second EMBO conference in a series) aims to catalyze the transformation of the field from classical genetics, biochemistry and structural biology to functional genomics and molecular systems biology of gene transcription and regulation

REGISTRATION

Deadline
16 March, 2012

SPEAKERS

| | |
|-------------------------------|------------------------------|
| Brenda Andrews CA | Andreas Ladurner DE |
| Shelley Berger US | Jane Mellor UK |
| Marc Bühler CH | Craig Peterson US |
| Steve Buratowski US | Nicholas Proudfoot UK |
| Mordechai Choder IL | Frank Pugh USA |
| Patrick Cramer DE | Ali Shilatifard USA |
| Catherine Dargemont FR | Lars Steinmetz DE |
| Steve Hahn USA | Françoise Stutz CH |
| Nouria Hernandez CH | Jesper Svejstrup UK |
| Frank Holstege NL | Fred Winston US |
| Nevan Krogan USA | Jerry Workman US |
| | Daniel Zenklusen CA |
